

# THE WAGNER

AT THE BATTERY

## THIS LAND OF LIBERTY

The Wagner at the Battery is an independent luxury hotel in lower Manhattan’s waterfront Battery neighborhood. Steps from the heart of downtown, this urban oasis is nestled amid lush green parks along the Hudson, offering unrivaled views of Ellis Island and the Statue of Liberty—the paramount symbol of freedom for all.

New York City is home to countless establishments and events that celebrate and support the LGBTQIA+ community. Discover world-class bars and clubs and attend multi-day festivals like Pride Island on Hudson River Park nearby. Once centered around the Village, Chelsea, and Hell’s Kitchen, the city’s queer scene now spans throughout the boroughs.

The Wagner is a proud member of The Leading Hotels of the World.
